Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. "Take Hall's Family Pills for constipation."

CLEAR SKIN COMES FROM WITHIN
It is foolish to think you can gain a good clear complexion by the use of face powder. Get at the root of the trouble and thoroughly cleanse the system with a treatment of Dr. King's New Life Pills. Gentle and mild in action, do not gripe, yet they relieve the liver by their action on the bowels. Good for young, adults and aged. Go after a clear complexion today. 25c at your druggist. d&w
